

# MAKING WAVES

## SAIIE 35

### JOIN US AT THE 35<sup>TH</sup> SAIIE CONFERENCE

From the beach sand churned by ocean waves to thunder reverberating through the air, waves are everywhere. The next time you settle down to watch TV, spare a thought for the countless waves that make it all possible – the light waves captured by the camera lens, the analogue signals recorded, the radio waves carrying it to your antenna or dish, and finally the light and sound waves projected from your screen, connecting your brain waves with those of the creators behind the show.

Waves have power. They disturb, influence, and bring about change. To "make waves" is to challenge the norm and leave an impact.

And that's exactly what we believe Industrials do. We make waves. We rock the boat, apply pressure, and expose the hidden icebergs and sandbanks lurking beneath the surface. Change-makers at heart – that's who we are.

We invite you to SAIIE35 to showcase the waves you're making, whether they're monstrous tsunamis or gentle ripples. From innovations that streamline operations to insights that revolutionise industries, every wave matters. Let's gather to inspire, challenge, and amplify the impact of the Industrials together. See you there – let's make waves!

**DATE: 20 - 22 October 2025**

**VENUE: Lagoon Beach Hotel, Milnerton, Cape Town**

The best papers will be reviewed and published as full journal papers *in a special edition of the ISI-listed South African Journal of Industrial Engineering (SAJIE), without further review.*

Abstracts on the abstract-only track will require only the submission of an abstract.

The abstract-only track has been a proven path for industry to meaningfully engage and share knowledge at the conference, and we strongly encourage practitioners to explore this option.

## IMPORTANT SUBMISSION DATES

Abstract and full paper track submissions open: **16 January 2025**

Abstracts for full paper submission track deadline: **24 February 2025**

Full paper deadline: **9 June 2025**

Final camera-ready papers deadline: **11 August 2025**

Submission for presentation-only track deadline: **04 August 2025**

Accepted abstracts from both tracks will involve either a presentation with a panel discussion session, or authors can also select to only participate in the highly interactive poster session. Papers presented in the discussion session or at the poster session will be eligible to be published in the Conference Proceedings, with the best papers being selected for the special edition of SAJIE.

**Abstracts should be no more than 150 words and should provide an overview of the full paper that will be submitted.**

**SUBMIT YOUR ABSTRACT HERE**
