

# CONFERENCE

14 - 16 OCTOBER | RIVERSIDE SUN  
VANDERBIJLPARK, SOUTH AFRICA

## ILLUMINATE THE PATH AHEAD

*"Because knowledge belongs to humanity, and it is the torch that illuminates the world"*

- Louis Pasteur

Come, heed the call, and join us at the 34th SAIE Conference in October 2024.

### CONFERENCE PROGRAM

Over 170 papers are currently being reviewed for the conference proceedings. And once again, our authors are showcasing how the soft and hard skills of industrial engineering can be used to solve some of our country's toughest challenges including energy, agriculture, maintenance, healthcare, hospitality and disaster relief.

Panel discussions, an industry tour day, networking opportunities, a boat cruise cocktail function, and the unmissable conference gala dinner will ensure well-rounded days!

### CONFERENCE FEES

Conference fees can be found [HERE](#) for SAIE Members and Non-Members. Costs of the conference dinner and the Industry tour day are also available. Group registrations are eligible for discount. Contact [conference@saiie.co.za](mailto:conference@saiie.co.za) to register a group.

#### CPD VALIDATION

This event is validated for 1 CPD credit per day of attendance.
